## **Rules**

The race circuit is completely closed to traffic.

Athletes will be selected randomly to come to the bike check.

The wearing of an officially tested helmet is mandatory for all athletes. The athlete is responsible to wear the proper helmet colour and is responsible for all the risks in the race.

UCI rules are going to be applied.

It is forbidden to make use of the assistance of non-officials. Escort vehicles must not be used. Driving in the slipstream in other categories is strictly forbidden and will lead to disqualification.

The event is sanctioned by UCI.

## **Circuit**

Race circuit is in city centre and is 3,0 km each lap. The format race is 1 hour + 1 lap. When the first athlete arrives to the finish line,

The race finish for everybody when they arrive also to the finish line. The circuit is very exciting and technical. After the start, the athletes do a fast straight and arrive in the port area. Here you find public and followers. There're a lot of curves. After this zone there is a light climb. At the end of this, the handbikers do an hairpin turn and they enter in the famous Riviera's cycling road! This part of circuit is very fast, until a right turn where start the second short climb toward the city centre. After the uphill there're two fast straight with the final large hairpin turn. The last 300 mt before the finish line are very fast and large, perfect for a sprint.
